

### REMARKS

Claims 1-37 and 39-41 appear in this application. The allowance of these claims is noted with appreciation. Claims 38 and 42, the only claims rejected in the office action, have been cancelled. Accordingly, all current claims are now allowable in this application.

### Replacement Drawings

The figures were objected to as having non-uniform lines and characters that were too small. Thus, submitted herewith are the formal drawings for Figures 1 to 24 on "Replacement Sheets" 1 to 13 for this application. In view of this submission, the applicant respectfully requests withdrawal of the objection to the drawings.

### Conclusion

In view of the above, all rejections have been overcome so that the entire application is believed to be in condition for allowance, early notice of which would be appreciated. Should any issues remain, a personal or telephonic interview is respectfully requested to discuss the same in order to expedite the allowance of all the claims in this application.
